"The Futures Turf Development Program provided my son a wonderful opportunity to extend himself against District players. He also, for the first time, played on turf wickets, which he loved. The ECT coaches and training facilities were fantastic - it certainly helped develop his cricket game and more importantly, he loved it." Dene Olive

Individual Testing & Benchmarking Fitness, Strength, & Fielding

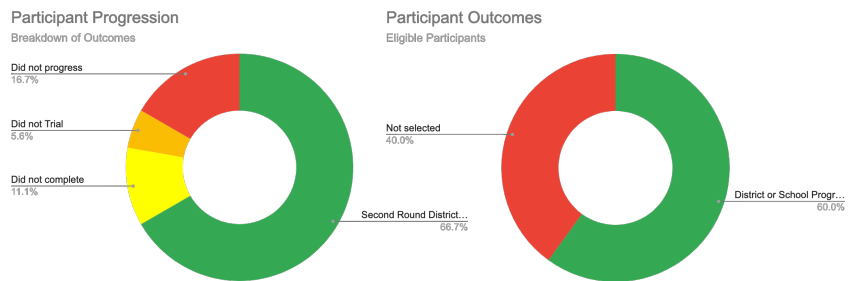

"The ECT Development program is great for any keen cricketer wanting to improve their skills. The opportunity to get so much time in the middle was great for the kids"
Gavin Argent

Measurable Improvement across Individual and Team-based Indicators

Fantastic Reward for Effort!

"I really recommend the ECT futures Program as it gives you great exposure to playing on turf and facing District level teams. The program gives you great coaching on all aspects of the game. I was able to successfully make Districts as a result of what I learned in this program"
